

REMARKS

This is an after-final response to the office action mailed April 19.

The examiner has stated that claims 90-94 would be allowable if rewritten to overcome rejections under 35 U.S.C. Sec. 112, 2nd paragraph. However, these claims were not rejected under this section. All other claims have been cancelled.

For the above reasons, the examiner will see that claims 90-94 are allowable. The examiner is thus respectfully requested to place the case into condition for allowance at his earliest convenience.

Respectfully Submitted
